PREAMBLE

This Agreement entered into this _____ day of _____ 2005 by and between the CAMDEN COUNTY BOARD OF CHOSEN FREEHOLDERS AND SHERIFF, hereinafter called "COUNTY", and POLICEMEN'S BENEVOLENT ASSOCIATION LOCAL 277, hereinafter called the "P.B.A.", has as its purpose the promotion of harmonious relations between the County and the P.B.A.; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment, and represents the complete and final understanding on all the bargainable issues between the County and the P.B.A.

ARTICLE I RECOGNITION

Section 1. The County recognizes P.B.A. as the sole bargaining agent for the Sheriff's Officers, Sheriff's Investigators, Senior I.D. Officers, Sheriff's Officer Sergeants, in the Camden Sheriff's Department for the purpose of establishing salaries, wages, hours and other conditions of employment, listed in the classifications set forth herein, and for such additional classifications as the parties may later agree to include. Specifically excluded from the unit are all Superior Officers (Officers above the rank of Sergeant) in the Sheriff's Department and all other classifications of employees employed by the County of Camden not listed above.

Section 2. The Rules and Regulations of the New Jersey Civil Service Commission that apply to the employees covered by this Contract are hereby acknowledged to be part of this Agreement.

ARTICLE II CHECK-OFF

Section 1. The County agrees to deduct P.B.A. membership dues each month from the pay of those employees who request in writing that such deductions be made. The amounts deducted shall be certified to the County by the Treasurer of P.B.A., and the aggregate deductions of all employees from whom deductions were made.

Section 2. Any revocation of the aforesaid authorization to deduct dues shall be made by the employee, in writing and in duplicate, with the original sent to P.B.A. and copy to the Treasurer of Camden County, and in accordance with the provisions of N.J.S.A.52:14-15.9e, as may be amended. Such revocation shall be effective to all deductions as of January 1, or July 1, next succeeding the date of which such revocation is filled.

Section 3. The P.B.A. shall indemnify, defend, and save the County harmless against any and all claims, demands, suits, or other forms of liability that shall arise out of or by reasons of action taken by notice of the P.B.A. to the County or in reliance upon the official notification on the letterhead of the P.B.A. and signed by the President of the P.B.A. or by his expressly designated representative.

ARTICLE II-A AGENCY SHOP

Section 1. The County agrees to deduct the fair share fee from the earnings of those employees who elect not to become members of the P.B.A. and to transmit the fee to the majority representative.

Section 2. The deduction shall commence for each employee who elects not to become a member of the P.B.A. during the month following written notice from the P.B.A. of the amount of the fair share assessment. A copy of the written notice of the amount of the fair share assessment must also be furnished to the New Jersey Employment Relations Commission.

Section 3. The fair share fee for services rendered by the P.B.A. shall be in an amount equal to the regular membership dues, initiation fees, and assessments of the P.B.A., less the cost of benefits financed through the dues and available only to members of the P.B.A., but in no event shall the fee exceed eighty-five (85%) percent of the regular membership dues, fees, and assessments.

Section 4. The sum representing the fair share fee shall not reflect the costs of financial support of political causes of candidates, except to the extent that it is necessary for the P.B.A. to engage in lobbying activity designed to foster its policy goals in collective negotiations and contract administrations, and to secure for the employees it represents advances in wages, hours, and other conditions of employment which ordinarily cannot be secured through collective negotiations with the County.

Section 5. Prior to January 1, and July 31 of each year, the P.B.A. shall provide advance written notice to the New Jersey Public Employment Relations Commission, the County, and to all employees within the unit the information necessary to compute the fair share fee for services enumerated above.

Section 6. The P.B.A. shall establish and maintain a procedure whereby any employee can challenge the assessment as computed by the P.B.A. This appeal procedure shall in no way involve the County or require the County to take any action other than to hold the fee in escrow pending resolution of the appeal.

Section 7. The P.B.A. shall indemnify, defend, and save the County harmless against any and all claims, demands, suits, or other forms of liability that shall arise out of or by reason of action taken by the County in reliance upon salary deduction authorization cards or the fair share assessment information as furnished by the P.B.A. to the County, or in reliance upon the official notification on the letterhead of the P.B.A. and signed by the President of the P.B.A., advising of such changed deductions.

ARTICLE III SENIORITY

Section 1. (a) Seniority is defined as an employee's length of service with the County. With regard to all incidents of employment, seniority in the department shall be one of the major

factors considered, provided the employees involved have equal ability to perform the work involved and/or the employee involved has the ability to perform the work involved. When bidding for promotion and/or job shift assignment, seniority in the department shall be one of the major factors considered with regard to this procedure, provided the employee has the ability to perform the work involved.

(b) For purposes of bidding for assignments and shifts only, seniority is defined as an employee's length of continuous service as a sworn law enforcement officer of the Camden County Sheriff's Department (i.e., experience as a Sheriff's Officer or Correctional Officer). With regard to all incidents of employment seniority and related college credits will be the only factors considered when bidding for assignments.

Section 2. An employee having broken service with the Camden County Sheriff's Department (exclusive of leave of absence), will not accrue seniority credit for time when not employed by the Sheriff's Department except for bidding purposes for assignments and shifts pursuant to Section 1(b) of this Article.

Section 3. If a question arises concerning two or more employees who were hired on the same date, the following shall apply.

(a) If hired prior to January 1, 1976, seniority preference among such employees shall be determined by the order in which such employees are shown on the County's payroll records, first name, first preference, etc.

(b) For employees hired on the same date after January 1, 1976, preference shall be given in accordance with Civil Service Rules and Regulations, and if not covered therein, then in accordance with the employee's last name in alphabetical order.

Section 4. The County shall maintain an accurate, current seniority roster, containing each employee's date of hire, date of permanent status, classification, and pay rate, and shall furnish copies of the same to P.B.A. annually.

Section 5. (a) When the Sheriff intends to fill vacant positions (other than Civil Service regulated permanent appointments) seniority in the department shall be one of the major factors considered with regard to filling such positions, so long as the employee has the ability to perform the job. Except in the case of an emergency, a notice of the intention to fill the vacant position shall be posted for a period of at least 10 days prior to the date that the vacancy is filled. A copy of such notice shall be provided to the P.B.A. and posted in all places where notices to Sheriff's Officers are regularly posted. Any interested officer may apply to be considered for the positions.

(b) All jobs and assignments, which will be subject to the bidding process set forth in Article XIII, Section 4 shall be bid and assigned pursuant to those assignments and jobs covered by the bidding procedure in Article XIII, Section 4, and the above Section 5(a) will not apply for those jobs which are subject to the bidding process.

ARTICLE IV WORK SCHEDULES

Section 1. Where the nature of the work involved requires continuous operations on a 24-hour per day, seven days per week basis, employees will have their schedules arranged in a manner which will ensure, on a rotation basis, that all employees in a given title will have an equitable share of weekends off.

Section 2. Employees shall work according to a basic schedule established by the Sheriff.

Section 3. The work schedule will be based on a forty (40) hour work week, and an eight (8) hour day.

Section 4. The workweek shall commence at 12:01 a.m. Sunday and end at 12:00 Midnight Saturday.

Section 5. The tours of duty shall be established by the County, through the Sheriff, and the Sheriff shall have the right, for efficiency of its operations, to make changes in starting and stopping time of the daily work schedule and to vary from the daily or weekly work schedule.

Section 6. One Hundred and Forty-four (144) hours notice shall be given to an employee to transfer to another shift or position.

ARTICLE V OVERTIME

Section 1. Overtime refers to any time worked beyond the regularly scheduled hours of duty as authorized by a supervisor.

Section 2. Employees shall have the option to taking compensatory time or cash payment for overtime. If any employee chooses compensatory time in any instance, the amount of such time will be computed on the basis as set forth below.

Section 3. Time and one-half the employee's hourly rate of pay shall be paid for work under the following conditions, including shift differential, if any:

(a) All work performed in excess of the employee's regular hours of duty in any one day, and shall be based upon shift differential, if any applicable.

(b) All work performed in excess of the employee's regular hours of duty in any one week and shall be based upon shift differential, if any applicable, for which time and one-half or double time are paid shall not be included in the base weekly hours.

Section 7. Any employee who is required to work during periods other than his regularly scheduled shift shall be paid at the overtime rate, including shift differential, if any.

Section 8. Overtime shall be distributed as equitably as possible according to seniority. Acceptance or rejection of overtime will cause the employee's name to be placed at the bottom of the list. Assignment of overtime shall be on a rotation basis. The lists shall be available to the officers and the P.B.A.

Section 9. No employees shall have his work schedule or regular day off schedule changed at any time for the purpose of avoiding payment of overtime: except that the Sheriff shall be entitled to alter work schedules up to a total of six (6) times in each calendar year, for no more than four (4) hours each time, for the purpose of conducting tactical operations, including raids, without having to pay overtime for that four (4) hour period.

ARTICLE VI CALL-IN-TIME

Section 1. Any employee who is required to and returns to work during periods other than his regularly scheduled shift shall be paid at the appropriate rate, plus shift differential, and be guaranteed not less than two (2) hours pay, regardless of the number of hours actually worked. If the employee's call-in-time work assignment and his regular shift overlap, he shall be paid time and one-half for that period worked prior to the regular shift; thereafter, for the balance of his regular work shift, he shall be paid the prevailing rate.

ARTICLE VII RATES OF PAY

This additional requirement for Sergeants cannot be abused by utilizing such practices as requiring the Sergeant to work nine days in the higher classification, with a short break, and then another period in an effort to avoid the requirement to pay the higher pay. Payment for any time so worked will be made semi-annually in payment periods thirteen and twenty-six.

ARTICLE VIII DIFFERENTIAL

There will be a shift differential of six-percent (6%) for those employees working the second shift and an eight-percent (8%) differential for those employees working the third shift. Employees who regularly work such shifts shall receive the differential for paid time off for compensatory time.

ARTICLE X HOLIDAYS

Section 1. The following holidays are recognized as paid holidays:

New Year's Day, Martin Luther King's Birthday, President's Day, Good Friday, Memorial Day, Fourth of July, Labor Day, Employee's Birthday, Columbus Day, General Election Day, Veteran's Day, Thanksgiving Day, Christmas Day.

Section 2. Holidays which fall within an employee's vacation period shall be celebrated at the employee's option on a day other than the actual day of paid holiday, either prior to or immediately following his vacation.

Section 5. When the Board of Chosen Freeholders declare, by formal action, a day off for all County employees, those employees who are required to work such day shall be given a compensatory day off within a reasonable time after such formal action. This provision has no applicability when holidays are declared or granted pursuant to contracts with other representatives, associations or unions.

Section 6. In addition to the above, each employee covered by this Agreement will receive six (6) personnel days annually. Personal days may be requested provided such request does not unreasonably interfere with the operation of the Department and such request is subject to the approval and authorization of the Sheriff or his designated representative in charge of the Department. If such days are not used during any given year, said employee will be compensated for the days not taken at his or her prevailing hourly rate of pay. Authorization for personal days requires the approval of the Sheriff or his designated representative in charge of

the Department, and such authorization must be based upon the needs of the Department so that personal days do not unreasonably interfere with the operations of the Department.

Section 7. Employees will have the option of taking compensatory time in lieu of cash payment for holiday pay.

Section 8. When an employee's birthday falls on another paid holiday, (eg. Christmas, Thanksgiving) the employee will celebrate his birthday, for payroll purposes, the following day.

ARTICLE XIII PERSONNEL REGULATIONS

Section 1. Duty rosters shall be prepared each day by the shift commanders and posted, specifically setting forth the assignments of each employee by name and title.

Section 2. All employees shall receive an evaluation at the end of each six (6) months' period of their performance, consisting of learning abilities, initiative, dependability, ability and willingness to follow directions and the rules of the Sheriff's Department as revised for promotional purposes. Evaluation reports shall be prepared concerning same and shall become part of their files with a copy thereof given to each employee.

Section 3. In addition to the aforesaid evaluation, each new employee will be evaluated every thirty (30) days during his probation period in accordance with the Civil Service Rules and Regulations.

Section 4. When openings exist in the various job titles covered herein or in titles higher than same, qualifications for such various titles or promotions shall be written so as to consider comparable qualifications of all individuals employed in the Department wherever situated and in accordance with Civil Service Classifications and Rules and Regulations. The below Section 5 would take precedence for job bidding for those jobs and assignments which are subject to the bidding process in Section 5.

Section 5. Job Bidding

A. For the calendar year 2006, the job bidding shall be done pursuant to this Article, and the process for the calendar year 2006 shall begin as set forth in B1 by October 15, 2005. Subsequently January 1 of each year thereafter, shift assignments shall be made, where all qualifications are equal (except for seniority and college degrees), pursuant to a point system based on seniority and earned college degrees bid system. Assignments shall then be made based upon total points calculated from a combination of points for seniority and college degrees earned as follows:

1. Officers shall be given six points for each continuous year that they have been a permanent and temporary sworn law enforcement officer employed by the Camden County Sheriff's Department. A year shall be considered to be the calendar year. Officers who have incomplete full years of service shall be credited with one point for each two full months of service. (example: 6 years, 5 months of service equals 32 points).

2. Officers and Sergeants who have earned college degrees in a law enforcement curriculum shall receive the following points: Associates – 2.5 points; Bachelors – 5 points; Masters – 5 points; Doctorate – 5 points.

3. Ties will be broken as per the following:

(a1) The employee's date of hire with the County, as a permanent law enforcement officer/employee continuously employed by the Camden County Sheriff's Department.

(a2) If two (2) officers are tied and have the same hire date OR two (2) Sergeants are tied and have the same appointment date, then the employee who finished higher on the Civil Service Rankings will be the higher ranked for bidding purposes.

(b) When a tie cannot be decided using the formula above, the employee's last name in alphabetical order shall prevail.

B. Methodology of Officers and Sergeants Choosing Their Shift Assignments by Seniority and College Credits.

B1. By October 15 of each year, the Sheriff shall provide a written Organizational Bidding Chart with the 13 assignments for Officers, as set forth in Section 5C and for the Sergeants in Section 5G, which organizational chart shall set forth the days off and shifts for each of the 13 assignments for Officers and the 5 for Sergeants, and the specific number of slots for all the Officers and Sergeants who are needed within each of the 13 assignments for Sheriff Officers and within each of the five (5) assignments for Sergeants. For example, if there are 79 biddable slots within the 13 assignments, then the Sheriff shall have 79 slots for the Officers and Sergeants to sign up.

B2. By October 15 of each year, the Sheriff shall designate those Officers and Sergeants that he is assigning to non-biddable positions. Therefore, the Officers and Sergeants who have not been assigned to non-biddable positions shall receive the above Organizational Bidding Chart on or before October 15 of each year, for purposes of bidding their assignments, including days off and shifts.

B3. The Sheriff or his designee on or before October 1, of each year shall give a proposed seniority list to the PBA President. The PBA shall have seven (7) calendar days within which time to review the seniority list and notify the Sheriff in writing of any disputes. The Sheriff or his designee and the PBA shall resolve any disputes in reference to seniority prior to October 15 of each year. The final seniority list for the Sheriff Officers and Sergeants shall contain numbers in descending order with the name of each Sheriff Officer or Sergeant to be used in the bidding process. There shall be two separate seniority lists, one list for Sheriff's Officers and one list for Sergeants, and both lists shall have the most senior person with the number one. Both the Sheriff or his designee and the PBA shall sign the seniority list and date it; however, if the Sheriff and the PBA cannot agree, then the PBA's list of seniority shall prevail, but the Sheriff may grieve this matter directly to arbitration, and the Sheriff shall have sixty (60) calendar days within which to file with PERC a request for selection of a grievance arbitrator.

B4. Between October 15 and November 15 of each year, the Officers and Sergeants who are allowed to bid for their assignments shall bid as follows:

4a. The Officers and Sergeants bidding shall be divided into four groups with the most senior Officers and Sergeants being in the first group, the next 25% of Officers and Sergeants in seniority will be in the second group, the third 25% of Officers and Sergeants in seniority shall be in the third group, and the fourth group will consist of the bottom 25% Officers and Sergeants in seniority. The Officers and Sergeants shall have two separate lists and each of those lists shall be divided into four groups.

4b. The first group of Officers and Sergeants shall bid for their assignments during the week of October 15 through October 22. The second group will bid for their assignments between October 22 and October 29. The third group will bid for their assignments between October 29 and November 7, and the fourth group will bid from November 7 through November 15 of each year. Based on the seniority list as agreed to between the Sheriff and the PBA, each Officer and Sergeant in each group will bid during the week in the order of

seniority. If an Officer or Sergeant will not be at work during the week or cannot be present to bid in person, when he or she should be bidding, then the Officer or Sergeant may bid his assignment by either or both telephone and/or an absentee bid proxy. The proxy shall be signed by the Officer and/or Sergeant and either the PBA President, Vice President or Delegate, and a copy of the proxy shall be given to the Sheriff or his designee.

4c. During each of the four (4) weeks during the bidding process there shall be three bidding sessions of one and one-half (1½) hours each during each week when the actual bidding process shall take place; for a total of 4.5 hours during each of the four (4) weeks. One (1) PBA elected official, chosen by the PBA President, either the President, Vice President, or Delegate shall be excused from work to be present during the bidding process. Additionally, each Officer and Sergeant who is bidding will be excused from work for a reasonable time to come to the Sheriff's Sales room on the 2nd floor of City Hall and make the appropriate bid.

4d. The Organizational Bidding Chart shall be posted in the Sheriff's Sale room on the 2nd floor of City Hall on the wall with all of the assignments, including days off, shifts and the individual assignment. There will be sufficient space and lines for each slot in each assignment, the County may use magnetic devices for each slot, for each Officer's or Sergeant's name. As each Officer in the order of seniority bids on the assignment, the name of the Officer and the seniority number will be listed on the master chart on the wall in the office of the Sheriff's Sales room on the 2nd floor of City Hall. As each Officer comes in, in the order of seniority, each Officer will be able to see which assignments have already been bidden for and taken, and those jobs that remain open. The PBA shall have one representative and the Sheriff shall have one representative present during all times when any Officer or Sergeant bids for his or her assignment. The PBA will also have a copy of the master Organizational Bidding Chart and will fill it in simultaneously as each Officer and Sergeant bids his or her position. Each Officer or Sergeant will bid in order of seniority either by (a) by personally appearing in the Sheriff's Sales room on the 2nd floor of City Hall whereby personally notifying the Employer and the PBA of his or her assignment choice, or (b) by telephone to the PBA representative during the actual time for the bidding process to take place with both the PBA representative and the County representative speaking directly to the officer or Sergeant on the phone at the same time, or (c) giving a written proxy to the PBA to hand in to the Employer in the order of seniority, and the PBA representative shall select the specific slot for the Sheriff Officer or Sergeant who has turned in a proxy.

After an Officer or Sergeant has chosen his specific job, then it will be written on the master organizational bidding chart in the presence of the specific Officer and/or Sergeant, PBA representative, and the County representative.

4e. If the bidding process in B3 and B4 are complied with and completed pursuant to B4 (including 4a through 4d), then a Sheriff Officer, Sergeant and/or PBA may only grieve any problems in reference to B4 (including 4a through 4d) to Step 3 – County, and shall not be able to grieve to Step 4 – Arbitration.

B5. An Officer or Sergeant who is in a bidden position cannot be moved out of that bidden position solely because disciplinary charges might be brought or have been brought, except to meet the bona fide safety needs of the citizens of the County. Solely for disciplinary

reasons, the Officer or Sergeant may be moved out of a bidden position after the Officer or Sergeant has been found guilty of the disciplinary charges or had consented to be disciplined, which discipline includes being moved out of a bidden position for a specific period of time. The penalty for the discipline may be being moved out of a bidden position for a specific period of time, which shall be included in the Notice of Discipline and Specification of Charges.

B6. If the County moves a Sheriff Officer or Sergeant out of a non-biddable assignment to a biddable assignment, then the Sheriff Officer or Sergeant who is being moved to a biddable assignment, shall have the right to bid for any assignment that he has seniority for. This rebid process shall take place prior to the actual transfer from the non-biddable position to a biddable assignment. For example, if there are 70 Sheriff Officers in biddable positions with seniority ranked 1 through 70, and a Sheriff Officer is moved from a non-biddable position to a biddable position, and that moved Sheriff Officer has seniority number 52 (with 1 being the highest), then all biddable assignments with Sheriff's Officers with seniority from 52 through 70 shall be rebid by the above process, but the rebid process will be done in two weeks and not four weeks, with the rebidded Sheriff's Officers and/or Sergeants being divided into two groups of 50% bidding in one week and 50% bidding in the second week. This rebid clause shall not trigger a bidding process between September 1 through December 31 of each year.

C. The Sheriff shall first assign all employees to positions that are not subject to this bidding process. The remaining unit members shall bid for the positions in the Hall of Justice, Transportation, Jury Management and Records. All of the jobs for Sheriff's Officers and Sergeants in the Hall of Justice, Jury Management, Transportation and Records will be combined into one (1) group for Sheriff's Officers and one (1) group for Sergeants so that the Sheriff's Officers and Sergeants who are not placed in the non-biddable assignments can bid for any assignment, of appropriate rank, in any of the four (4) units. Additionally, after the Sheriff makes the assignments to the Identification Bureau, employees assigned to the Identification Bureau may bid among themselves for one (1) of the three (3) shifts (8-4, 4-12, 12-8).

All eligible unit members will be able to select shift assignments through the bidding procedures outlined above in Paragraph A. Shift assignments shall be separated into the following assignments, which an officer may bid for:

1. Hall of Justice – Front Door Security.
2. Hall of Justice – Second Floor Security.
3. Hall of Justice – Lower Level Holding Area.
4. Hall of Justice – Probation Department/Family Court Annex.
5. Hall of Justice – Salley Port.
6. Hall of Justice – Courtrooms (courtrooms to be assigned by Sheriff's designee).
7. Hall of Justice – Juvenile Holding.
8. Transportation – Lakeland site for juveniles, day shift.
9. Transportation – Cherry Hill Depot – 7 a.m. to 3 p.m.
10. Transportation – Cherry Hill Depot – 3 p.m. to 11 p.m.

(For transportation – or whatever times these three (3) shifts might be changed to.)

12. Jury Management (approximately 1 S.O.).
13. Records.

D. Nothing contained in this entire Article shall be interpreted to mean that assignments such as K-9, Internal Affairs, Missing Persons, Prosecutor's Office, Dive Team, Sheriff's Emergency Response Team (SERT), Bomb Unit, Civil Process, Civil Office, Tech Services and Helicopter Corp are to be bid. Those assignments remain a prerogative of the Sheriff or his designee, which shall be in accordance with controlling statutes. Further, in order to meet with needs of training and/or specialized abilities, shift assignments may need to be altered in order to meet the bona fide safety needs of citizens of the County. In these cases, the changes shall be made with timely notice and explanation and shall last until such time as the specific needs have been met, at which time the affected employee shall be returned to his/her bid shift.

E. This section shall be applied equally, among members of the same rank, where applicable.

F. This section will not preclude employees from voluntarily switching or swapping shift assignments with one another prior to the re-bid date. However, such switches of shifts and assignments shall occur with the approval of the Sheriff or his designee. Such approval shall not be unreasonably denied.

G. Sergeants who are not placed in non-biddable assignments by the Sheriff can bid for assignments in the Hall of Justice, Transportation, Jury Management and Records as one package of assignments which shall be separated into the following assignments and shifts that a Sergeant may bid for:

1. Hall of Justice – General Supervision.
2. Hall of Justice – Security.
3. Transportation – Cherry Hill Depot, 7 a.m. to 3 p.m.
4. Transportation – Cherry Hill Depot, 3 p.m. to 11 p.m.
5. Transportation – Cherry Hill Depot, 11 p.m. to 7 a.m.

Additionally, after the Sheriff makes the assignments of Sergeants to the Identification Bureau, then the Sergeants assigned to the Identification Bureau may bid among themselves for one of the three shifts (8-4, 4-12, 12-8).

Sergeant seniority shall be seniority in rank as a Sergeant, and not seniority as an employee of Camden County.

ARTICLE XIV **SICK LEAVE WITH PAY**

Section 1. Sheriff's Officers shall be entitled to the following sick leave of absence with pay:

(a) One working day sick leave with pay for each month of service from the date of permanent appointment up to and including December 31st following such date of appointment and fifteen (15) days sick leave with pay for each calendar year thereafter. Part-time permanent employees shall be entitled to sick leave on a pro-rated basis. If any employee does not use all of his/her allowable sick leave in any calendar year, the unused portion of sick leave time will accumulate. Sick leave for purposes herein is defined to mean the absence of any employee from duty because of personal illness by reason of which such employee is unable to perform the usual duties of his position, or exposure to a contagious disease, or a short period of emergency attendance, not to exceed five (5) working days with an ill member of his/her immediate family requiring the presence of the employee. Any emergency attendance with an ill family member, in excess of five (5) working days, will be considered on an individual basis by the Sheriff or his designee. (Immediate family is defined in Section 2 hereafter.)

(b) If any employee is absent for three (3) consecutive working days for any of the aforesaid reasons, the County may require acceptable evidence on a prescribed form. The nature of the illness and length of time the employee was or will be absent may be stated on doctor's certificate.

(c) At the discretion of the supervisor, any employee seeking sick leave may be required to submit medical evidence acceptable to said supervisor. If sick leave is not approved, the time involved in which the employee was absent shall be charged to his/her vacation credit, if any, provided the employee, and the employer, to wit, the Sheriff or his designee, agree. Otherwise, he/she will suffer loss of pay for any such unauthorized time.

(d) An employee who does not expect to report for work on any working day because of personal illness or for any of the reasons included in the definition of sick leave aforesaid will notify his supervisor by telephone or personal message at least an hour prior to the beginning hour.

(e) Sick leave by reason of quarantine or exposure to a contagious disease may be approved on the certification of the local Health Department.

(f) The total years of service after permanent appointment of any employee in the classified Civil Service shall be considered in computing accumulated sick leave due and available, and shall be granted and governed in accordance with prevailing Civil Service Rules and Regulations during this Agreement.

Section 2. Immediate family member is defined as:

- (a) Mother and Father
- (b) Mother-in-Law and Father-in-Law

Upon retirement or resignation, an employee may sell to the County his or her accumulated sick leave days, provided that said employee has worked for the County not less than ten (10) years. All accumulated sick leave will be paid to the estate of an employee who dies who meets the ten year requirement. Any employee who was hired after January 1, 2006 shall be paid 85% of accumulated sick leave days at retirement or resignation.

Section 4. A male officer shall be entitled to utilize up to a maximum of five (5) sick days immediately following the birth of each of his children. The utilization of sick time for the purpose will not adversely effect the evaluation of the officer's attendance and sick leave utilization; except that the office will not qualify for the bonus provided in Section 5 of this Article for any quarter in which sick time is utilized for this purpose.

Section 5. Effective January 1, 1997, employees who do not use sick time in any calendar quarter of the year shall earn one (1) additional vacation day for each quarter where there is no sick time used. Employees who use no sick time at all during any calendar year shall earn a total of Five (5) additional vacation days for that year. Additional vacation days earned shall be credited to the employee's account as of January 1, of the following year. No employee shall be entitled to earn additional vacation time in any quarter if during that calendar year the employee used Fifteen (15) days of sick leave, unless that sick leave was used in conjunction with a hospital stay of Three (3) days or more. Additional vacation time earned must be used within two (2) years of it being credited or it will be lost.

ARTICLE XVII VACATIONS

Section 1. Permanent full-time employees in the County Sheriff's Department will be entitled to the following annual vacation with pay:

- (a) During the employee's first year of employment, he/she will receive one working day per-month of service. From the commencement of the sixth year, to the completion of the 12th year, 15 working days, from the commencement of the 13th year, to the completion of the 20th year, 20 working days. From the commencement of the 21st year to completion of the 25th year, 25 working days. From the commencement of the 26th year and thereafter, 26 working days. The commencement of any year will be the anniversary hire date of the individual employee for computation purposes. Temporary full-time employees in the County service shall be entitled to vacation leave to the same extent such leave is provided for permanent employees. Permanent part-time employees shall receive vacation leave on a pro-rated basis in accordance with the above schedule; employees on a daily or seasonal basis are not eligible for vacation leave.

Section 2. Vacation leave should be taken during the current calendar year, and reasonable efforts will be made to give the employee the time of his choosing unless the Sheriff, at his sole discretion, determines that the vacation cannot be taken in the second year because of the pressure of work, the employee will be paid for his vacation at his then current rate of pay.

Section 3. Employees will be allowed to use unaccrued vacation time in anticipation of continued employment provided that such time is scheduled time, with approval of their supervisor.

The only reasons to deny a vacation request would be because (1) a sheriff officer would not have enough seniority to obtain the vacation he or she wanted, (2) because a more senior officer has already selected that time, or (3) because of minimum written manpower requirements.

(b) After vacation time has been approved and scheduled, it shall not be revoked for any reason, except in emergencies; an emergency does not include requiring the use of other Sheriff's Officers or Sergeants to work overtime.

ARTICLE XVIII WORK RULES

Section 1. The employer may establish reasonable and necessary rules of work and conduct for employees, which rules will be equitably applied and enforced. Section 1. It is the policy of the County of Camden and P.B.A. that all grievances be resolved informally or at the earliest possible stage of the grievance procedure. Informal settlements at any step will bind the immediate parties to the settlement but shall not be precedents in a later grievance proceeding.

Section 2.

(a) The term "grievance" means a complaint that there has been an improper application, interpretation, or violation of this Agreement, any County policy governing the P.B.A., or any administrative decision affecting any member or members of the P.B.A., including all minor discipline, up to and including five (5) days suspension but excluding counseling notices.

The Sheriff or his representative will acknowledge receipt of the grievance in writing.

b. The aggrieved or the PBA shall institute action under subsection (a) above within thirty (30) calendar days after the event giving rise to the grievance has occurred, and an earnest

effort shall be made to settle the differences between the aggrieved party and the Sheriff or Sheriff's representative for the purpose of resolving the matter informally. Failure to act within said thirty (30) days shall be deemed to constitute an abandonment of the grievance.

c. An employee or group of employees may submit a grievance which effects them personally and shall submit same to the Sheriff or Sheriff's representative through the PBA.

d. The Sheriff or the Sheriff's representative shall respond in writing to the PBA and grievant within fourteen (14) calendar days from receipt of the written grievance as to each grievance received.

Section 6. Step Three – Camden County

The Sheriff or Sheriff's representative shall respond in writing within fourteen (14) calendar days as to each grievance received, and the written response shall be received within the fourteen (14) calendar days by the PBA and grievant (if the grievant files the grievance without PBA representation). If an aggrieved party is not satisfied with the written response of the Sheriff or Sheriff's representative, then the aggrieved party may submit the grievance to the Camden County Labor Relations Committee or the hearing officer appointed by the County to hear the grievances. Whether the grievance goes to the Camden County Labor Relations Committee or the hearing officer, is a decision to be made by the County. If there is no response received from the Sheriff or the Sheriff's representative within fourteen (14) calendar days after receipt of the written grievance by the Sheriff in Step Two, then the aggrieved party may submit the grievance to the Camden County Labor Relations Committee, when applicable, or to the hearing officer, appointed by the County to hear grievances or resort to other legal rights available to the aggrieved party.

b. The Camden County Labor Relations Committee, when applicable, or the hearing officer appointed by the County; shall, upon request of the aggrieved party, hear the grievance within thirty (30) calendar days of the grievance being submitted to the Camden County Labor Relations Committee or the hearing officer. The Camden County Labor Relations Committee, when applicable, or the hearing officer appointed by the County, shall deliver to the Sheriff and the PBA and the grievant within fourteen (14) calendar days from the date of the hearing, a written decision setting forth the County's position.

Section 7. Step Four – Arbitration

7a. If the aggrieved party or the Sheriff or the County is not satisfied with the decision of the County pursuant to Step Three in Section 6, or if no written decision is received by the PBA within forty-four (44) calendar days of the grievance being submitted to the County in Step Three, then the PBA or the County or the Sheriff may request the appointment of an arbitrator through the Public Employment Relations Commission ("PERC"), with such request to be made known to the Sheriff no later than forty-four (44) calendar days after the County's decision has been received by the PBA, as set forth in Step Three above, or 44 calendar days after the due date of the decision that was due in Step Three above.

7b. The PBA may skip Step Three (Section 6) and not proceed to the Camden County Labor Relations Committee or the hearing officer appointed by the County, but after Step Two (the Sheriff), the PBA may proceed directly to arbitration through PERC to expedite a grievance.

7c. In the selection of an arbitrator, the parties will make a unilateral or joint request to PERC and will be bound by the rules, regulations and procedures of PERC in the selection of an arbitrator.

7d. No arbitration hearing shall be scheduled sooner than thirty (30) calendar days after the final decision referred to in Section 6 above. If the PBA or the aggrieved elects to pursue legal remedies provided under Civil Service, the arbitration hearing shall be cancelled and the matter withdrawn from arbitration.

7e. The cost of services of the arbitrator shall be borne equally between the PBA and the County.

7f. The arbitrator will be bound by the provisions of this Agreement and the Constitution and the Laws of the State of New Jersey and of the United States of America and be restricted to the application of facts and issues submitted to him/her involving the grievance and shall consider it and nothing else. The arbitrator shall not have the authority to add to, modify, subtract from or alter in any way the provisions of this agreement or any amendment or supplement thereto. The decision of the arbitrator shall be in writing with reasons therefore and shall be final and binding upon the parties.

7g. The Sheriff and the PBA will receive copies of the arbitrator's written decision.

Section 8.

(a) The failure at any stage of the aforesaid procedures to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next stage.

(b) The failure at any stage of the aforesaid procedures to appeal a grievance to the next stage within the specified time limits shall be deemed to be an acceptance of the decision rendered at that stage.

(c) Employees will, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the County until such grievance shall have been fully determined.

(d) Any aggrieved party may be represented at all formal steps of the grievance procedure by himself/herself and/or, a representative of the P.B.A., and/or an attorney.
